RE: Italian films at AFI European Union Film Showcase 2017

November 8th, 2017

Dear Mr. Hitchcock,

Following our previous communications, it is my pleasure to confirm the Istituto's commitment to collaborate with AFI to the organization of EU Film Showcase, presented in collaboration with the European Union Delegation to the USA, scheduled to run from December 1 to December 20 of this year. In particular, the Istituto will cover the expenses for the procurement of the screening rights for the following movies:

- Rainbow (A Private Affair), by Paolo and Vittorio Taviani (December 3 and 4, 2017);
- A Ciandra, by Jonas Carpignano (December 8 and 11, 2017);
- Franca: Chaos and Creation, by Franco Carrozzini (December 14, 2017);
- Naples '44, by Francesco Patierno (December 15 and 20, 2017)

The Istituto will also cover the expenses for the presence of one AFI audio-video technician at each of the above screenings, and guarantee the presence of director Franco Carrozzini at the screening of his movie.

All other expenses and legal obligations related to the series will be the AFI's sole responsibility. The overall amount committed by the Istituto for the event cannot exceed the sum of \$3750.

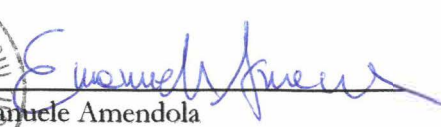

The event and the parties' collaboration shall be advertised on the AFI and the Istituto/Embassy of Italy's website, as well as any other promotional material mentioning the event.

AFI consents to the processing of the information contained in this agreement in accordance with the law on transparency in the Italian Public Administration (Legislative Decree 33/2013).

I would appreciate it if you could return a signed copy of this letter for acceptance.

Yours sincerely,

Emanuele Amendola
Director
